# Region Success Series Guide

2022-2023

## **2022-2023 Region Success Series**

Nevada FBLA is pleased to announce that the Region Success Series continues this year! The Region Success Series will allow members to compete against others from their region in all events with an objective test component.

### **Who**

All members of Nevada FBLA are encouraged to participate. This activity is also great for chapters pursuing the Champion Chapter award.

### **What**

This competition is only open to current Nevada FBLA members. Members compete against others in their region with additional state-level recognition. Participants attending SBLC will receive RSS ribbons.

### **When**

Registration will open **November 30** and close at 5:00 pm on **January 7**.

No changes will be made after 5:00 pm on January 7.

Advisers will receive testing log-in information by **5:00 pm on January 14**.

Testing begins at **8:00 am on January 18**.

Testing closes promptly at **5:00 pm on February 1**.

There is no late registration for this event.

Winners will be announced **February 8**.

Advisers will have access to scores and competency reports the week of **February 14**.

### **Where**

Online! For this competition, the only requirement is that tests be taken in your school environment. They may not be completed at home. However, we are not requiring a non-business educator as proctor so that tests can be taken at a time convenient to members and advisers.

Winners will be announced and recognized on social media, Nevada FBLA website, and the adviser weekly update.

### **Testing**

Advisers will receive an email from the testing company with adviser credentials. Keep this email. With the credentials you can access student login cards prior to testing.

After the competition winners are announced, advisers will be able to access scores and results based on each test's competencies to help determine events for SBLC competition and to assist in event preparation.

Each test is taken as an individual – there are no collaborative or team events during this online competition.

## Competitions

There is no limit on the number of competitors per event a chapter may have. Each member may participate in 5 (five) online tests.

## Registration Process

The cost is \$10 per member to participate in this competition. Registration is online through BluePanda. Changes to events will only be accepted through the registration period.

We will be using BluePanda for registration. To access BluePanda go to [app.gobluepanda.com](http://app.gobluepanda.com).

The username is your NVFBLA\_Chapter# (Example: NVFBLA\_3797)

The password is "service."

Only FBLA High School or Middle School members are eligible to participate. A member is defined as a student with paid membership in the national system. If paid by credit card, it can take up to 24 hours for membership to show as paid in the national and BluePanda systems.

Select students to participate first, then add the competitions for each student.

A generic invoice from BluePanda will be automatically generated. **Do not pay the BluePanda invoice!** An official invoice from Nevada FBLA will be sent to the adviser address listed in the registration process. Invoices from RSS must be paid before the chapter will be able to register for SBLC.

### **Questions**

If you have any questions regarding the competitive events or BluePanda, email us at [hello@nevadafbla.org](mailto:hello@nevadafbla.org)
